
Two Local Pianists To Compete at SIU-SW

Granite City high school pianists, Ron Matson, 15, and Mark Freedman, 16, will enter two different competitive events in piano to be held on the Southern Illinois University-Southwestern campus on Saturday.

In the morning the Illinois State Music Teachers Association audition program to select outstanding students in the area. The first place winner in each region will receive \$25 and will addition at the state convention with other regional winners. Second and third place medals will be given. The state winner who is awarded \$100 represents the state in national competition.

In the afternoon, the university will hold auditions for the Young Artists Recital Series inaugurated by the university to search out and encourage talented young musicians of junior and senior high school age and provide gifted students the opportunity to appear on public recitals under the sponsorship of the University.

In both competitions, the time allotted for the pianist's performance is 20 minutes with numbers to be chosen from Baroque, Classic, Romantic and Contemporary styles of music.

For his audition, Ron Matson will play "Two Part Inventions," Nos. 1 and 14 (Bach); "Sonata in G Major," K. 283, First Movement; "Prelude," Op. 9, No. 10, (Chopin); "Waltz in A-Flat Major," Op. 69, No. 1, (Chopin); "Nocturne in F Minor," Op. 55, No. 1, (Chopin); "Three Fantastic Dances" (Shostakovich).

Mark Freedman "Sonatas in A Major and D Major" (Scarlati); "Sonata in G Minor," Op. 49, No. 1 (Beethoven); "Preludes," Op. 28, Nos. 9, 13 and "Nocturne in F Minor," Op. 55, No. 1, (Chopin); "Three Fantastic Dances" (Shostakovich).

Renato Premezzi, Illinois State Music Teachers district president and a professor of piano at the university, is in charge of both competitions.

Waterman Avenue Paving Contract Goes to Sternberg

Contract award for improvement of Waterman avenue from Washburn avenue to Maryville road—a motor fuel tax project—was approved Monday night by Granite City council members, subject to final approval by the state highway department.

The low bid was by G. H. Sternberg & Co., \$88,510. The only other proposal was from A. H. Seabold Co., \$100,963. The estimate for the street improvement with curbs and drainage was \$121,782 by Research Planning & Design Associates.

State highway officials advised the city of approval of \$80,000 MFT expenditures for each of two sections of Johnson road for paving. The sections are from Lindell blvd. to Patton road and from Franklin avenue to Lindell blvd. The state will require parking to be limited to one side, and the council plans to send a copy of an ordinance adopted last year specifying the restriction.

To provide adequate drainage, the grade level of the street is to be lowered, and it was discovered sanitary sewer lines are under the middle of the streets and only 18 inches underground.

The engineer says the virtually, single-strength pipe should be replaced with concrete double-strength pipe and lowered. The council, however, decided to replace the pipe with 18-inch pipe for Michigan avenue and \$6325 for Troy avenue, with 800 feet of sewer to be replaced.

Council members authorized the work to be done with motor fuel tax funds.

Jaycees Jr. Sports Meet Slated Saturday at GCHS

Granite City youngsters between the ages of 10 and 15 years will compete Saturday in the District Junior Sports Jamoree, co-sponsored by the Granite City Jaycees and the Illinois Youth Commission. It was announced today by Al Delay, Jaycee general chairman.

Starting at 10 a.m. Saturday at the Granite City high school athletic field, competition will include basketball, volleyball, long jump, baseball throw and 23 running events.

Delay noted that each participant must present an entry form, signed by a parent or guardian, to meet officials at the field prior to the 9 o'clock starting time to facilitate lining up the contestants by age groups.

The meet director pointed out that permission slips have been distributed at local schools. However, youngsters not having a slip may obtain one at the athletic field which can be signed by an accompanying parent, he added.

Competition will be in three divisions—midget (10-11 years), junior (12-13) and intermediate (14-15 years).

District winners will advance to the sectional contest at Alton, to be held next month. Sectional winners will compete in the state finals to take place in Granite City on Aug. 7, 8 and 9.

A district sports jamoree is scheduled June 7 for Venice and Madison youngsters, Delay announced.

Given recognition were Viola Beck, statistical clerk; John Hunsell, operator; Ella Joyce, inspector; Oliver Meyers, lift truck operator, and George Mitchell, watchman.

Marriage Licenses
Marriage licenses have been issued in St. Louis to Philip P. Bone and Mrs. Brenda G. Bone, both of Venice; and to Wilton C. Haynes of Madison and Dorothy Anderson, 4210 Gano avenue, St. Louis.

LIST WITH COCHRANE
"IT'S SOLD"

Granite City's crackdown on motorists failing to display the new 1969-70 city auto license stickers will be in the first week of June. It was learned today from Police Chief Ronald Veizer.

The chief said he has not yet decided on the exact date. So far, 12,580 of the \$3 windshield stickers have been sold, compared to 14,500 last year. The sale this year is expected to top 15,000.

BARBARA ANN BARTELS GCHS Co-Salutatorian Co-Salutatorian Named at GCHS

Qualification by Miss Barbara Ann Bartels as co-salutatorian of the 1969 graduating class of Granite City high school was announced yesterday afternoon by Principal Lawrence McCauley.

She shares the scholastic honor with Miss Elaine Menke, daughter of Mr. and Mrs. Edwin Menke, 2149 Cleveland Blvd. The class valedictorian is Thomas Schwager, son of Mr. and Mrs. George Schwager, 2497 Waterman avenue. Miss Bartels' parents are Mr. and Mrs. Jule D. Bartels, 2661 Delmar avenue.

Principal McCauley said Miss Bartels, who will join Schwager and Miss Menke in presenting addresses at commencement exercises in the school's Memorial gymnasium next Thursday evening, also is to receive a salutatorian trophy. Trophies were presented to Schwager and Miss Menke at the Honors Day program last week.

In running final grades through a computer, it was discovered that Miss Menke and Miss Bartels were in a tie, McCauley said.

Flag Pole Dedication Ceremony on Saturday

Edward Moore, president of the Kiwanis Club, announced the dedication ceremonies at downtown Civic Park for the flag pole installed last Saturday will be held at 11:45 a.m. Saturday. The announcement was made during the weekly meeting of the club Monday evening at the Rose Bowl.

Invitations have been sent to Mayor Donald Partney and the Park Commissioners to attend the ceremonies. Also present will be Melvin Gilie, Kiwanis District 10, and other club members. Guest speaker Monday evening was Irv Goode, left offensive guard for the football Cardinals, who was introduced by George Groves, program chairman.

His topic stressed the training program for "rookies." He said a professional player usually averages about five years in the league and begins his career at age 26. He concluded his talk showing a movie on the highlights of the 1968 season. Eleven guests attended the meeting from Wood River, Edwardsville and Granite City.

GCHS Baccalaureate To Be Held Sunday

Granite City senior high school Baccalaureate services for graduating seniors will be held at 2 p.m. Sunday in Memorial gymnasium.

The program will be opened with the procession by the Granite City high school band under the direction of Louis Meek.

Invocation will be given by Rev. Clair Clark of Trinity United Methodist Church, followed by musical selections presented by the Advanced Mixed Chorus, with Warren Simpkins as director. Matthew 4:19 will be given by Rev. Clark, and the sermon entitled, "Call of Upper Road" is to be given by Rev. Robert Cook of Faith Baptist Church. The benediction will be by Rev. Clark, and the recessional by the band. Special recognition will be given to both Meek and Simpkins.

Man Beaten in Fight, Hit With Fish Bowl

One man was treated at St. Elizabeth Hospital for back, arm and head injuries and three other persons were arrested on battery charges as the result of a fight early Tuesday morning in a house in the 2000 block of Washington avenue, police reported.

Patrick Jones, 19, of Bismarck, Mo., was treated for multiple abrasions to the back, right arm, right ear and head and was admitted for further treatment.

Police said they arrested Gary D. Sidwell, 18, of 2223 Washington avenue, on charges of unlawful use of a weapon and aggravated battery. Mildred Sidwell, 41, also of 2223 Washington avenue, on a charge of aggravated battery, and James D. Castle, 23, of 2118 Missouri avenue, on a charge of aggravated battery.

Police said that during the fight Jones was struck on the head with a fish bowl.

Sidwell and the Sidwell woman were arraigned in magistrate court where they pleaded not guilty to the charges Tuesday afternoon. Bond was fixed at \$10,000 each. Castle was arraigned and pleaded not guilty Wednesday morning. His bond also was fixed at \$10,000. All three defendants were taken to the county jail at Edwardsville pending preliminary hearings.

No Tail Lights

Robert A. Ban, St. Louis, was charged by police 3:35 a.m. Co. of Edwardsville, the man yesterday with driving a car without tail lights at Madison avenue and 20th street.

ing \$4018, also were approved by school officials. Attendance percentages at Venice schools during April were higher than the previous month, according to figures released by Asst. Supt. Robert Vickers. Overall attendance amounted to 92.41%, including 91.94% at Venice kindergarten; 92.62, elementary school; and 91.93 at Venice high school.

Special Education
The Venice school board reaffirmed its intent to participate in programs of Region I, Special Education District, with Granite City and Madison districts during the 1969-70 school year following recommendations by Board Member Jack Tolliver and Assistant Supt. Vickers, who represent the Venice district on the special education regional advisory board. Vickers reported that at a recent meeting of the advisory group, a \$47,140 budget was proposed as the region's share to operate the special education district next year. Cost of the program to the three local districts is determined by the number of days that service is provided, with Granite City funding about half the program. Present plans call for hiring a coordinator-director, three psychologists, two intern psychologists and a secretary to administer and operate the special education program in 1969-70, Vickers said.

Nursing Home

lients out of the nursing home and go out of business." His resolution was adopted on a roll call vote.

Detention Home
Another major dispute arose over awarding of bids for furnishings, equipment and clothing for the new juvenile detention home as recommended by William Webb of Granite City, committee chairman.

One of the items of dispute was clothing for boys and girls at a cost of \$5500. Webb explained that there was nothing fancy about the clothes, that they must be provided for juveniles of various ages and would be retained at the home when a juvenile is released.

Apply Pressure
Walter Sparks, Chouteau township supervisor, commented that criminals today do not care if they go back to a penal institution or prison. "These people are well taken care of," he said. "When kids are picked up, put some pressure on them so that they won't want to return."

He complained about "elaborate" arrangements at the home, but Webb, who has worked toward the project for the past 12 years, angrily replied that "there is nothing elaborate about the building or the program."

The bids were approved by a 23 to 14 vote as some members had voted "present" or had left the chamber at the time.

During that discussion, Smith charged that the state's attorney's office was being ignored by the judiciary in detention home matters and informed the board that his office will have

an important role in its operations.

He called for a meeting between his office, the circuit judges and the nursing home committee to discuss arrangements.

Court House Space
A resolution adopted by the board at the last meeting that office space in the courthouse basement, recently allocated to Circuit Clerk Willard Portell, be given to the county building and zoning department has resulted in an injunction suit filed by Portell to prevent the move.

In discussing the suit, set for the court docket for Friday morning, some members felt that the issue should be settled on the county board floor, rather than being taken to court.

Portell has been ordered to move by June 3 but claims he needs the space, will need more in the near future, and that his is a constitutional office while the other is a statutory office. Smith, in noting other office space problems, said in his opinion the county board can allot space but has the responsibility to provide needed space.

"Portell has got a problem," Smith said. "He has a little space (left) here, but he knows he's going to need it in a year or two."

The circuit clerk has pointed to the county's new program of collecting delinquent personal property taxes through litigation which will produce even more records and require more clerical help.

Merit System Rules
The board adopted rules, regulations and procedures for the new sheriff's department merit commission, though some supervisors pointed to flaws which it incorporates.

However, Raymond Galloway, Alton supervisor and commission chairman who was the chief sponsor of the merit system, said that it was important to get it in operation now and to amend the rules in the future to correct any inadequacies.

Committee appointments made by Board Chairman Harold Landolt were approved with five dissenting votes. For the third consecutive year, Wood River Supervisor Rodger Elble was not named to a committee.

A resolution prepared by a new Wood River assistant supervisor which would require appointment of all supervisors to not less than two and not more than three committees was not presented for discussion.

At the meeting, Thomas Harris, who had tied in his attempt for re-election as Foster township supervisor, was seated by the board, and Howard Sparks of Wood River township, who resigned after being named to the county board of appeals, ended his service on the board.

GC Council

ager of Milam Corp., East, said the second collection of garbage and trash each week during the summer months last year produced a negligible amount.

Ease Container Limit
The firm would ease its two-30-gallon container limit, provided Granite Cityans put out only household trash that could be handled easily by the crews.

He noted that in some instances the collection crews have been forced to pass up construction materials, such as scrap bricks that could not be handled.

"If the trash is of the household variety and in a suitable container, we'll haul it away," he told the council members.

With the \$12,000-a-year savings, amounting to a total of \$28,000 over the remainder of the three-year contract, council members voted 12-to-4 for preparation of the contract amending resolution. Opposed were Robertson, Green, Jarrett and Baker.

Green said he wanted to make a sample survey of the Fourth Ward in the intervening week before final action is taken next week. The twice-a-week collection is scheduled to start in June.

Jarrett pointed out the city could have saved a considerable amount last year on the award of the contract, if the council majority had not insisted on twice-a-week summer collection. The savings would have been about \$20,000-a-year, he pointed out.

Alderman Rutledge said the savings on a three-year contract with the National Disposal Service would have totaled \$51,000. "I didn't think we needed twice-a-week collection last year."

Robertson commented he favored twice-a-week garbage collections "for the health and well being of the people." Rutledge pointed out Milam was going to pick up added amounts for each household.

In the letter, the Milam representative stated: "It is our intention to waive the two 30-gallon container per residence limitation and handle normal household refuse in any amount with these qualifications; that the material not be heavy to the point where a man would hazard himself by lifting it, or bulky and awkward to handle. Naturally, the above reference applies only to normal household refuse and not construction debris."

Jake's, Quad-City A's Midtown Blast Way to 35 & Over Victories

Jacobsmeyer's downed American Legion 21-5, Quad-City A's Midtown 14-4 and Midtown Pharmacy shot Tony & Joe's 21-11 in Jr. Pools 35 & Over League action Monday evening in Wilson Park.

The Jacobsmeyer's opened the game with a 10-run inning and coasted the remainder of the game. Top sluggers for Jacobsmeyer's were Rich Branding, 5-5 with two doubles and John Palchett, 2-3 with two doubles.

Bob Garland, batting 4-4 with a triple and double, led the A's attack. Hooks heavy hitters were Jerry Jackson, 4-4 and Jug Harrison, 3-4.

Hot and hearty hitting by both teams typified the 37, slug game in which Tony & Joe's led until Midtown Pharmacy's 10-run third inning. Gus Lignoul homered for Tony & Joe's, while his teammate Hoot Gibson went 4-4 with two doubles.

Midtown Pharmacy's "contact" men were Ed Reingel, 5-5 with triple and double; Pete Burdige, 3-5; Art Borchers, 2-4; and Bill Connolly, 3-3.

Coolidge Nine Takes 5-4 Overtime Game at Roxana, Ends Season

The Coolidge junior high school baseball Braves won at Roxana 5-4 in overtime Tuesday and ended the season with a 6-2 conference record and a possible championship trophy, depending on Roxana's outcome in three remaining games.

Roxana has a 3-1 league mark. Joe Wallace hurled for the Braves, striking out nine, walking one, allowing five hits (three bunts and two singles). All of the scoring off Wallace occurred in the fourth inning when his teammates erred five times.

Coolidge scored twice in the sixth and twice in the seventh to tie the score. In an extra inning the Braves grabbed the winning run on an error.

Steelers, Caton's, W&W Take Games in Southern Softball

The Steelers chalked up a win from Tri-City Cue 12-4, Caton's edged Branding Service 11-0 and W & W Confectionery 9-5 in Southern division softball at Worthen Park Tuesday.

The Steelers scored 11 runs in the first two innings, then tempered the game by holding Tri-City Cue. Steelers' best hitters were: Jim Peppers with a homer and a double, Roger Feltmeyer with two triples and a double and Jim Smith with two hits, including a homer. Tri-City Cue's better stick men were Jim Cavanaugh and John Paskus with three hits and Dave Tutka with two, including a double.

Brandings Service led for most of the contest, but good late inning swinging gave Caton's the win. Caton's best, were Mike Welsch with three hits, including a homer, and a double, Jerry Barnett with a double, Bob Harris with three safeties and Tom Ferguson with two.

Doing the biggest service for Branding's were Ron Brindley, Gene Turner, Ron Reish and Jim Doreghazi, each with two hits.

W & W Confectionery could not match B & E Lumber at the plate. Best for B & E were Bob Lewey and Mike McGovern with three hits each.

Credit Union to Host III. Fastpitch Champs

Grand-Slam Home Run Beats Warriors 6-3, Alton Takes Regional Tourney Crown

A grand-slam homer in the fifth inning by Alton high school knocked the Granite City Warriors out of the race for the state tournament title Wednesday at the Edwardsville regional.

The game that meant Sunday in death to Granite City began in a dizzying rally which continued until the fourth inning.

The Warriors jumped ahead in the top of the first frame as Dave Evans singled, James Becker doubled and Jerry Monahan doubled, driving in two runs.

Alton's Randy Bailey, who celebrated his birthday Wednesday, drove in a run in the second inning and clobbered the home run on a fast ball by Deacon Simpson during the fourth frame. Simpson then was relieved on the mound by Steve Harris who finished the game.

The Warriors threatened in the fifth frame but a rally fell short. Don Harris singled and Roger Belshe doubled him home with no outs.

Prather Nine Downs Roxana 6-2, Takes Grigsby in 11-5 Game

Prather junior high school baseball Chiefs won 6-2 at Roxana Wednesday to put its intra-city rival Coolidge into a first place tie with Roxana. Today Roxana will finish its season at Grigsby. Prather triumphed over Grigsby 11-5 on Tuesday.

Chief Frank Baran struck out nine Roxana batters to advance his team to a season's total record of 9-5.

Prather broke the game open in the fourth inning when Al Fowler singled to center field for an RBI. After two walks loaded the bases, Howard Eberton drove them all home.

Bill Parks pitched the entire game in Prather's victory over Grigsby. He struck out nine. John Lengyel and reliever Vernon Luc collaborated in pitching the loss, allowing 12 hits.

Randy Higgins whipped a homer in the fourth inning. Other Chiefs with a good day at the plate were Eberton, Jim Forrester and Ralph Puhse.

Girls Softball Loop Opens with 3 Games

In the High School Girls Softball League at Wilson Park, Jacobsmeyers powdered Paul Seebold Concrete 19-7. Schriber's defeated Ashal Insurance 15-10. Rozycki shaded Ravanelli's 11-0 and Robbers took a forfeit from Clean-Craft in Wednesday evening action.

Jacobsmeyers' 12-run first inning demoralized Seebold Concrete. Miss Fuller of Jacobsmeyers' smacked a double, a triple and a homer. For Concrete, Miss Lakin homered.

For Ashal, Connie Koester hit the two-run and Debbie Seebold went four-for-four, each with a home run. Homers for Shriber's came from Mary

Left Overs Rally to Trip Peipers 8-7 in Western Softball Play

The Left Overs came from behind with four runs in each of the fifth and sixth frames to edge Peiper's 8-7 while Friederich Heating & Air Conditioning blasted Andria's 17-3 and the In Betweens bested the Cardinals 6-4 in Western Division softball action last night at Worthen Park.

Craig Signall led the Left Overs with two hits, including a three-inning round-tripper, while teammates Al Yount, Mike Grecco and Al Kopic each collected two safeties. Dave Snelson led Peiper's with three hits, including a double.

A 17-hit attack by Friederich was featured by four home runs slugged by Mike Burris, Larry Shipley, Phil Hartman and Mike Friederich. Shipley and Hartman collected three hits each, while Burris, Jim Dolan, Friederich and Gary Gaines each had two.

Fred Schuman connected safely three times for Andria's, while Rick Reutebuch, Pat Thies and Bob Long came up with two each.

Bill Morris slammed a solo home run in the second inning to give the In Betweens a lead which they insured with two runs in the top of the seventh. The Cardinals rallied in the bottom of the inning but were cut off with one tally. Dan Towery and Virgil Cottrell each had two hits for the winners, while Bob Campbell, Dan Nood and Dean Johnson led the Cardinal attack.

Uram and Marsha Van Deusen (4-4).

In the final inning, three consecutive walks won the bases loaded game Rozycki the victory. Miss Isak homered for Ravanelli's.

Ex-Col. Hoskin Heads

Black Egyptian Firm

Former Army Colonel Charles E. Hoskin III, ex-commander of the Granite City Army Depot, has been named president of a new corporation formed by the militant Black Egyptians of East St. Louis to operate a factory manufacturing small electronic motors.

Hoskin announced yesterday that the corporation known as Egyptian Ascend, Inc., plans to sell \$25,000 worth of stock within the next two weeks to finance operations. Purpose of the project is "black capitalism," Hoskin said, predicting that the plant will be worth more than \$1 million in five years.

NEWCOMERS SEE FILM ON CHINESE FOOD

The May meeting of the Newcomers club was held at the Illinois Power Co. offices Monday evening, and a film was shown on the cleaning and preparing of Chinese food.

Plans for the summer activities were discussed and refreshments were served to Mesdames Betty Schuster, Anna Robertson, Cheryl Seiling, In-dira Shaw, Jean Van Metre, Lorena Walker, Jean Andrews, Edmee Barry, Jean Beavins, Phyllis Harnening, Pat Kallips, Ruth Ann Roe, Barbara Ramsey, Nancy Sprudlin and guests Mrs. Garry Spragg, Mrs. Andrews and Miss Lynne Benson.

The next meeting will be June 16 at Bert's Chuck Wagon with a program on painting plaster ceramics.

BROWNIES PREPARE FOR CAMPING PROJECT

Niedringhaus school Brownie Troop 47, led by Mrs. Jo Ann Dix, met at the school Tuesday afternoon to continue work on a camping project. The leader was assisted by Mrs. Norma Macios, Mrs. Barbara Schreiber and Mrs. Agnes Butler.

A flag ceremony with caller, Susan Seilheimer, leader, Janet Lewis, and color guards; Mrs. Ann Colbert, Dava Gibson, Karen Powell and Sandra Schreiber, opened the meeting.

Roll call was answered with the name of a toy by those mentioned and Mimi Daniel, Jane Beth Hutchings, Lori Jones, Lydia Kachigian, Karen Mackos, and Sandy Thompson. The remainder of the meeting was spent in a sewing project as the girls made darning bags out of dish rags and yarn. The next meeting will be a party to conclude this scout year's activities.

The final meeting of the Lake school PTA held Tuesday evening at the school and new officers for the upcoming year were installed, followed by a teachers and parents panel discussion.

The business meeting was conducted by the president, Mrs. Audrey Eddlemann, who announced that the annual school picnic will be held in Wilson Park next Monday at 1 p.m. The PTA will distribute free tickets at the park. Mrs. Florence Van Haften's class won the attendance award.

Special guest, Mrs. Betty Orsburn, conducted the installation ceremony, and the new officers are: Mrs. Eddlemann, president; Mrs. Dora Lorenz, vice-president; and installed by proxy were Mrs. Delores Riddle, secretary and Mrs. Elizabeth Stevens, treasurer.

Principal Richard Barnett, served as the moderator during the panel discussion with Mrs. Janet Whalen and Mrs. Betty Yarbrough speaking for the faculty, and Mrs. Beola Dean and Mrs. Judith Ren for the parents. The topic was "What a Teacher Expects from the Parents and What Parents Expect from the Teachers."

The next meeting will be held in September with a discussion on "Where We Are Now and What We Plan to Do This Year." Barnett adjourned the meeting, and refreshments were served in the cafeteria.

SENIOR CITIZENS RECEIVE PRIZES

Forty-five Senior Citizens of the YMCA enjoyed a party and luncheon Monday as guests of Russ David at the Pevely Playhouse on a St. Louis television station.

Two of the group were winners of prizes. Mrs. Roxie Sadler had the largest family and was presented with one dozen red roses, and Mrs. Lillian Seibert received a special prize. The trip to and from St. Louis was made in a chartered bus.

BETROTHED. Miss Carol Lynn Diarkes, whose engagement to John Phillip Robinson is announced.

TROOP 538 OBSERVES FIRST ANNIVERSARY

Brownie Troop 538, sponsored by the Niedringhaus PTA, met Tuesday at the school with the leader, Mrs. Beth Caffrey, assisted by Mrs. Jean Holder. The troop celebrated its first year anniversary, and planned an outing in the park next week.

Mrs. Caffrey passed out membership stars and the meeting adjourned to Wilson Park for the birthday party. Mrs. Holder furnished a decorated cake.

Present were scouts, Debbie Bigham, Jo Ann Curtis, Mary Earney, Kim Filloff, Gena Fox, Kim Grammer, Karen Holder, Twyla Lathrop, Georgea Matossian, Martha Portell, Carla Mitchell and Mary Ellen White.

FORMER RESIDENT HERE

Marion Freeman of Redondo, Calif., a former Granite Cityan, is here for a visit with relatives and friends. He is a guest in the home of a brother-in-law, Chester Eggle, 2609 Center street, and will also spend some time with Mr. and Mrs. Howard Eggle of Alton, and Mr. and Mrs. Carl Stroud in Hillsboro, Ill., before returning to California in about two weeks.

Nameoki PTA Installs Officers

Nameoki school PTA met Tuesday evening for installation of new officers and for the final business session of the year. Mrs. Vera Farrow presided. Donald Kopp, principal, installed the officers—Mrs. Beverly Foote, president; Mrs. Angela Kefalas, vice-president; Mrs. Marion Sipole, recording secretary; Mrs. Marilyn Gailbraith, corresponding secretary, and Joel Tester, treasurer.

Martin Love, scoutmaster of Troop 46, presented the scout charter to the PTA and awarded a top salesman award in candy sales to Jeff Fry. He said the Scout charter has been at the school 3 1/2 years.

Reports were given by Miss Martha Phillips, and Carl Harrison, chairman, reported the picnic will be held next Tuesday. Mrs. Vera Farrow reported on the state convention in Chicago where the Nameoki PTA was honored as the only local unit to comply with state standards.

Mrs. Lucille Caban, guest speaker, a member of the steering committee of the family life curriculum, spoke on the status of the program in the schools. Mrs. Helen Matson, retiring third grade teacher, was honored with a poem read by Mrs. Sipole, room mother. Former students of Mrs. Matson presented a program of songs.

They were Janet Knapp, Linda Thatcher, Debby Young and Kenny Graham, who were accompanied by Mrs. Rose Young at the piano. Mrs. Matson received a corsage from the teachers and gifts from the PTA.

Scholarship fund scrolls of honor were presented by Mrs. Farrow to Mr. and Mrs. DeLo Groothuis, Mr. and Mrs. Carl Harrison and Mrs. Shirley Kilbourn. Refreshments were served by the kindergarten room mothers.

MISS' EVA SCHREIBER.

Her engagement to Gary Elkins, a son of Mr. and Mrs. Troy Elkins, 2073 Fourteenth street, is announced by her parents, Rev. and Mrs. Max Schreiber, 2109 Missouri avenue. The wedding date has not been set.

CIRCLE FIVE, UPW, MEETS AT CHURCH

Mrs. Roberta Browning was hostess to Circle Five of First Presbyterian Church at an evening meeting in the church parlors Tuesday.

Mrs. Virginia Evans had the Year Book of Prayer and the Fellowship service was conducted by Mrs. Catharine Parker. The lesson was discussed by all.

Refreshments were served and the group adjourned to meet again June 17 for a picnic at Wilson Park. Tuesday's meeting was the last of the regular programs until September.

Webster PTA Honors Pupils

Fifty 6th grade students were honored and new officers were installed during the final meeting for the Webster PTA Monday evening. The president, Mrs. Mae Lee, welcomed 125 guests and members.

The opening flag ceremony was given by Brownie Troop 889 with the leaders, Mrs. Barbara Blackburn and Mrs. Alma Bunte. Scout Connie Blackburn led the pledge.

Rev. Clair Clark of the Trinity Methodist Church gave the prayer, and principal, Clyde Lee, conducted the room count. The attendance award went to Louis Mehlich's sixth grade class. Mrs. Alma Bunte reported on last week's school picnic at Wilson Park.

Principal Lee addressed the

outgoing sixth graders, and each student was given a diploma and a date engraved pencil from the PTA.

Mrs. Twila McQuinn, area PTA president, spoke on the aims of the Parents-Teachers Association, and installed the following officers for 1969-70: Mrs. Annette Scrum, president; Mrs. Allene Moore, vice-president; Mrs. Eva Arbogast, secretary, and Mrs. Valara Schorfhiede, treasurer.

Mrs. Jo Ross, historian, presented a past president's pin to the retiring president, Mrs. Lee, who expressed her thanks.

Refreshments were served in the cafeteria by the fifth grade room mothers.

Protestant Welfare Aids 122 Persons; 33 Cases

The Protestant Welfare Association handled 33 assistance cases involving 122 persons, it was reported during a meeting Tuesday evening at the Madison Presbyterian Church.

Deviations were led by Rev. Frank Crist and Orville Ganz, president, conducted the meeting.

Mrs. Marie Whittle, office secretary, gave her report, as

did the recording secretary, Mrs. Irma Taylor, and the treasurer, Mrs. Minnie Dillard.

The assistance given in March included food, \$331; rent, \$370; medical aid, \$8; utilities, \$50; and new shoes and clothing, \$17. There were also orders filled from the store room estimated at \$86. Articles received and given away were valued at \$70.

Mrs. Thomas Kolesa, a case-

worker, reported handling 26 cases, with 14 closed and 12 opened.

Ernest Karandjeff gave a budget report, and announcement was made of the need for an increased amount from the United Fund for expanded services.

The next meeting will be held in September at Trinity Methodist Church.

Mrs. Whittle discussed the

United Fund board meetings, and Tuesday's meeting closed with prayer by Rev. Crist.

SORORITY HEARS TALK ON DRUG ADDICTION

Members of the Beta Phi Sorority heard Erwin Miles of NARCO discuss narcotics, drug addiction and the helping of young people with these problems at a meeting Tuesday evening at the Coordinated Youth Services office.

Following the talk, members went to the home of Mrs. Norma Abernethy, 3225 Erin drive,

for a business meeting, conducted by the president, Mrs. Millie Clements.

A decision was made to donate \$25 to CYC for the summer youth program to help young people under 15.

Refreshments were served to Mesdames Pam Wilson, A.R.N. Hotson, Judy Dyer, Betty Dick, Shirley Claxton, Sammie Lowell, Sandra Cuvart and Delores Meison.

Jr. Service Club Aids Children

The May meeting of the Granite City Junior Service Club was held Monday evening in the Civil Defense building with Audrey Jaros presiding.

Twenty-two members and seven probationers were present. A letter was read requesting assistance of the club members for the forthcoming program of the Mississippi River Festival to be held on the SIU-SW campus this summer.

Prescriptions for glasses for three school children were authorized and financial assistance was provided by clothing a high school girl and boy and other purchases, including uniforms and caps for the Junior Service Club Little League ball team.

The group also discussed the purchase of a television set for Scott Air Force Base for use by returning veterans.

Announcement was made of the need for good used toys on the pediatric floor of the local hospital, and plans were announced for the mother-daughter banquet May 27 at the Rose Bowl.

This month's homemade article was won by Mary Lou Worthen.

Services Conducted For Mandy Infant

Gravestone services were conducted at Sunset Hill Cemetery, at 10 a.m. Wednesday for Jeffrey Mundy, infant son of Mr. and Mrs. Michael (Donna Teaney) Mundy of 1479 Matlock drive, Florissant, Mo. The infant died three hours after his birth at St. Elizabeth Hospital on Monday.

Former residents, the Mundys have a two-year-old daughter, Tracy Mundy. Other survivors include the grandparents, Mr. and Mrs. Donald Teaney and Mr. and Mrs. Walter Mundy all of Granite City; great-grandparents, Bruce Teaney, Mrs. Anna Mundy both of Granite City and Mr. and Mrs. Weizel Wallace of Union City, Tenn.

Added Help for Drive

Mrs. Juanita Hunter, chairman of the "Bell Ringer March" for the Madison County Association for Mental Health, announced today Roca club will be helping in the fund drive Friday evening and the Tri-High-N girls will be collecting Saturday.

MORE ABOUT Accidents

Motorcyclist injured. Galen D. Patterson, 20, of Route Four, Edwardsville, complained of pains after his motorcycle struck the left front of an auto driven by Thomas C. Amburg, Wood River, who started to make a left turn onto the Mercer Mortuary parking lot, 1416 Niedringhaus avenue, at 7:30 p.m. Monday.

Patterson was taken to St. Elizabeth Hospital and was transferred to the Granite City Army Depot dispensary. He suffered abrasions to the right elbow and side and pains to the right ankle.

Two persons suffered minor injuries in a two-car collision in the 1300 block of State street, Madison, at 6:55 a.m. Tuesday. Police said the mishap occurred when cars driven by Edward E. Hawkins, East St. Louis, and Willie E. Salmond, 108 Carver street, Eagle Park Acres, collided as Salmond made a left turn into the General Steel Industries parking lot. Both cars were headed north.

Police reported that Hawkins and a passenger in his car, Alvin Portage, also of East St. Louis, sustained minor injuries.

Granite City PRESS-RECORD Thurs., May 22, 1969 Page 11

Warson lane, Mitchell, was injured when she fell out of the front door of an auto driven by her father, Wayne Ashburn, in the 2800 block of Madison avenue.

He told police that he was driving her to St. Elizabeth Hospital as she wanted to sleep all of the time, and that she had remained home from school because of illness.

The girl was admitted to the hospital with abrasions to the right ankle, both knees and elbows. X-rays were taken.

FAHNSTER TIRE & SUPPLY

2800 Nameoki Road, Granite City, Illinois

Dear Friends:

To our many friends and customers who have made us the largest Shell, Firestone, and Philco dealer in the Tri-City Area, we wish to thank you.

Being the only independent Shell dealer in this area for 35 years and unable to control us, our lease with Shell has been terminated. We have signed a lease with Continental Oil Co. We will continue to serve you as we have the past thirty-five years.

Continental Oil Co. having an agreement with Shell Oil will permit you to use your Shell Credit card as in the past, also your Conoco and Bankmark Cards. Those of you who desire Conoco cards, we will be happy to see that you get one.

Due to our growing business, for the next few months we will be in a remodeling program, enlarging our Tire & Service Departments. Hope you will be patient with us if there is any inconvenience.

Respectfully,

Fred Fahnster (Owner)
Lanzo Patterson (Store Mgr.)
Molly Warfield (Office and Budget Mgr.)
Jack Johnson (Tire Service Man)
George Gordon (Mechanic & Service Man)

Venice Woman Arrested In April 13 Shooting

Mrs. Elvie D. Hilton, 43, of 1017 Bissell street, Venice, was arrested by Venice police yesterday on two charges growing out of the shooting of her husband, Charles Hilton, 64, last April 13. She was charged with unlawful use of a weapon and failure to possess a firearm owners' permit.

Police were called to the Hilton home where they found Mrs. Hilton bleeding from a head wound which she said her husband inflicted with a brick. She told officers she had shot and wounded her husband in the fight. Both were taken to St. Elizabeth hospital where Hilton recovered from a gunshot wound in the chest. Police said they filed the weapons charges after Hilton declined to file a complaint against his wife.

Boy Bitten by Dog

Greg Maycock, six, son of Mr. and Mrs. Barry Maycock, 66 Riviera drive, was treated at St. Elizabeth hospital at 7:35 p.m. Tuesday for abrasions and contusions to the left leg where he had been bitten by a dog. He was released and police notified of the incident.

Arrested in Madison With Stolen Auto

Robert E. Rostek, 25, was arrested by Madison police yesterday morning in possession of an automobile that allegedly had been stolen in Decatur. Rostek later was turned over to sheriff's deputies from Macon county and was returned to Decatur to face theft charges.

Madison authorities said they arrested Rostek after they had been requested by Macon county deputies to seek the man reported to be living in Madison. When arrested Rostek gave an address in the 1600 block of Seventh street which police said is that of a relative.

Madison police said that Granite City also placed a hold order on Rostek under a warrant charging deceptive practices with the alleged issuance of bad checks. These charges were waived, however, when authorities from Decatur appeared to pick up Rostek on the more severe charge of theft over \$100.

Demo's Nicholas, Madison county sheriff's investigator, said Rostek was turned over to Macon county sheriff's deputies at the Edwardsville jail yesterday afternoon.

B&PW Honors
Mrs. Allen

The Granite City B&PW Club held the final meeting of the season last night at the Rose Bowl and crowned Mrs. Dolores Allen as "Woman of the Year." She was selected by a committee composed of Rev. Kevin Sullivan, C. O. Parker and Louis Pashoff. Mrs. Pearl Ryckman and Mrs. Mary Batson were runnersup. Mrs. Allen was presented with a silver bowl.

Mrs. Batson led a memorial service for deceased members, and Mrs. Emylee Alford, the newly-installed president, presided.

Mrs. Valerie Stevens sang The Lord's Prayer, and Miss Mary Frances Lynch introduced Debra Smith, the club's scholarship winner. Miss Smith will attend the Youth Conference in August. Miss Linda Fischer is alternate.

Mrs. Diana Jackson was winner of the "Miss Congeniality" contest, and the awards for perfect attendance were won by Mrs. Alford, Mrs. Batson, Mrs. Duvall, Mrs. Dorothy Nenninger and Mrs. Paula Smith. The members also went to the "White Team." Mrs. Pearl Ryckman, captain.

Mrs. Marcella Ashford received the special prize, and the evening's program, "Beauty Analysis," was given by Lorraine Kreh and Cheryl Jones.

Mrs. Marian Lambert was chairman, assisted by Mrs. Lily Chaboude, Mrs. Duvall, Mrs. Nenninger and Mrs. Sylvia Wright. Two new members, Mrs. Margaret Aufderheide and Mrs. Margorie Brannan, were introduced.

NAVY MOTHERS ATTEND INSTALLATION
Members of Quad-City Navy Mothers 850 attended the Highland Blue Jackets installation on Wednesday evening. Attending were Commander Margaret Jones and past commanders, Mesdames Norma Darnell, Edith McAllister, Jean

Among the groups ending the season this week was the Etude Music Club which met last night in the home of Mrs. Pat Forguison, 2428 Kilmerway Drive.

New officers elected were: Mrs. Lois Bilbrey, president; Mrs. Kathy French, vice-president; and Mrs. Judy Owens, secretary-treasurer.

A talk on "20th Century Music" was given by Mrs. Janita Dale, and there were piano selections by Mrs. Forguison and Mrs. French.

Others present were Mesdames June Branding, Mrs. Jane Kozielek, Mrs. Paula Suruff, Miss Rosemary Kabureck and three guests, Mrs. Beverly Meng, Mrs. Anna Robertson and Mrs. Anita Castillo.

LEAVES FOR HAWAII TO VISIT HUSBAND
Mrs. Shirley Miller, 3112 Jill avenue, departed today for Hawaii where she will be spending a week with her husband, Arthur Miller, Jr., who is on R & R leave from Chou Lai Vietnam with the 36th Engineers.

Miller is the son of Mr. and Mrs. Arthur Miller, 3225 Bluebird lane. Mrs. Miller is the daughter of Mr. and Mrs. Earl Lungwitz.

DAV AUXILIARY SOCIAL MEETING
The DAV Auxiliary held a social meeting Wednesday evening at the hall and heard reports on the recent district meeting. The next district meeting will be in July at Piasa, Ill.

In games, those winning prizes were Mesdames Ruth Nunes, Rena Craycraft, Marie King, Dorothy Best, Lil Heffley, Vivian Craycraft. The hostess was Mrs. Alta Carpenter.

Marshall PTA
Closes Season

Members of the Marshall school PTA met Tuesday evening in the gym and Mrs. Doris Ziegler gave the prayer for the 1st meeting of the school year.

The group went to the playground for a demonstration by police patrolmen Richard Wood and Ralph Farmlay of the Granite City Canine division, who showed the police dogs in action.

For the meeting, Mrs. Marilyn Smith, president, presided and reports were given by Mrs. Charlene Yumovic, Mrs. Verna Kidman, treasurer, and Mrs. Beverly Nunn, who reported on the school picnic planned for this Friday at Wilson Park with Ronald McDonald to entertain. In case of rain a new date will be set for the school playground area.

A request was made for a flag to be presented to Harvey Kief, cubmaster of the newly-organized cub pack at the school, and an announcement made of the sixth grade field trip.

Miss Mamie Casna, first grade teacher, and Mrs. June Von Gruenigen, sixth grade teacher, were honored on their retirement and were presented with gifts.

The installation of officers was conducted by Mrs. Twila McKinney. Taking office were Melford Dutton, president; Mrs. Patti Lynn, vice-president; Miss Joyce Lindsay, secretary; and Mrs. Verna Kidman, treasurer.

Mrs. Lynn presented Mrs. Smith with her past president's pin. Mrs. Smith urged all parents to save their rummage for a ways and means project in the fall.

Tax Collections To Start June 16

Tentative plans to begin collection of 1968 taxes in Granite City on Monday, June 16, were announced today by City Treasurer E. R. "Pat" Rich.

Rich said preparation of new tax bills has been under way by an expanded force of clerical workers for more than a week and that his office is "shooting for" the June 16 date to open the collection period.

Granite City taxpayers will be billed for a total of \$8,170,870 in local real estate and personal property taxes this year's billing of \$7,538,257.

Henry Martin, Webelo colors and book.

Webelo activity badges were presented to: Pat Potter, Martin Willis, David Chase, Bob Thericas and James Woodward, athlete; and Tim Grant, David Chase, Pat Potter and Martin Willis, geologist.

Webelo awards and promotion to Boy Scout rank were received by Gary Meyer, Charles Taylor, Bob Thericas and James Woodward.

Exceptional Service Award
presented Monday to John D. Solenberger (center), Tri-Cities United Fund executive director. Making the presentation are Henry D. Karandjeff (right), chairman of the Tri-Cities United Fund executive board, and George Eubanks, board secretary.

UF Admissions Committee Prepares Budget Sessions
The Admissions and Distributions committee of the Tri-Cities Area United Fund will begin conferences June 17 with local UF agencies to review agency requirements for 1970. It was announced Monday afternoon at a meeting of the executive board.

In other business, the UF board appointed George Becker of Mitchell, a staff representative in the Sub District office of the United Steel Workers, as vice-chairman of this fall's fund-raising campaign, and reviewed the qualifications of an applicant for the post of UF executive director.

No decision was reached on a replacement for UF Executive Director, John D. Solenberger, who will leave the community this month to assume a similar position with the Quincy Area United Fund.

Receives Plaque
Solenberger, who has headed the Tri-Cities UF staff since 1960, was presented a silver and walnut plaque by UF Board Chairman Henry D. Karandjeff and George Eubanks, board secretary.

The award was inscribed: "For exceptional and outstanding services as executive director of the Tri-Cities Area United Fund."

Parents Group Elects Gargac as President
Stephen Gargac of Granite City was elected president of the Parents Group for the deaf and hard of hearing children, at the final meeting of this school year Tuesday evening at the Union School in Belleville.

A pot-luck dinner preceded the business meeting and gifts were exchanged to the children, compliments of the Granite City businessmen.

Other officers elected were Mrs. Harriet Lovins, vice-president, and Mrs. Juliann Dittich, treasurer.

The retiring president, Donald McKinney of Alton, presided over the business session and announced the group will join with the I.P.O. (International Parents Organization) affiliated with the Alexander Graham Bell Association. He also told the members the international meeting is planned for early fall in St. Louis.

The Bi-County group made plans for a picnic in August to re-acquaint the children present at the opening of school.

Local Savings Bonds winners were Mrs. Maxine Rowekamp, a \$75 bond; Mrs. Shirley Cash, a \$25 bond.

New Deputy Liquor Commissioner Named

Mayor Parney announced several reappointments and the appointment of Howard Stoppko, a Granite City Steel Co. employee, to replace Harold Hillmer as deputy liquor commissioner.

Renamed to one-year terms were Robert Jackson, superintendent, and Ernest Hubbard, assistant superintendent of the sewage treatment plant; Thomas Reynolds, painter.

Victor Koenig, civil defense director; Mrs. Sharon Wickham, CD typist; Lawrence Oberdieck, assistant humane officer; Lavesta Russell, part-time typist for the air pollution board office.

City Clerk Pendleton announced the reappointment of Mrs. Virginia McLeister as deputy city clerk, with her term to run to April 30, 1973.

Council Gives Pledge To Illinois Flag

The pledge of allegiance was given to the state of Illinois flag instead of the American flag during Monday night's Granite City council session.

When Mayor Parney turned to lead the pledge, it was discovered the flag was gone. It had been taken down to be cleaned. The prayer to open the meeting was given by Rev. Wilbur Lear, rector of St. Bartholomew's Episcopal Church.

Cousins Meet Aboard

Bon Homme Richard
Mrs. Mary Lee Butler, 2806 W. 20th street, has just received a letter from her son MM2 John E. Thomas, aboard the USS Bon Homme Richard, just arrived in Vietnam, in which he describes a meeting with a cousin, Michael Ray Mowery aboard the same ship. This was the first meeting of the cousins in several years, as the Mowery family moved to California from Granite City.

The Bon Homme Richard has made several trips to Vietnam.

Public Aid Office to Open at Venice Center

The Illinois Department of Public Aid was granted permission to renovate and use as office space two classroom areas in the Venice-Lincoln Technical Center, in action taken by the Venice board of education Monday evening.

The Venice facility will be the first permanent Public Aid office established in the Quad-Cities and is expected to offer greater accessibility and convenience to clients.

Public Aid operations at the Venice-Lincoln Center are expected to start July 1. The main offices presently are located in Edwardsville and East St. Louis.

Before authorizing use of facilities at the adult vocational school, board members learned the PA agency will completely remodel the two classrooms, erect wood panel and frosted glass partitions, replaster wall areas, now holding large blackboards and install air-conditioning.

The estimated cost at \$5000 will be financed by the Public Aid Department, which also agreed to reimburse the Venice school district the sum of \$100 per month toward utility and custodial costs.

The department also agreed to vacate the premises should Venice school officials need the 1200-square-foot area at a later date.

The Venice-Lincoln training center is funded with federal and state grants, including major portions from the state public aid department and the Illinois office of public instruction.

Patrick T. Nesbitt

Receives Assignment

PNSN Patrick T. Nesbitt of the U. S. Navy, recently home on leave has been assigned to Oak Harbor, Wash., for further duty. He has just completed training at Bainbridge, Md. Naval Personnel School.

Nesbitt is married to the former Carol Druhe of Granite City and his parents, Mr. and Mrs. Thomas Nesbitt reside at 2807 Warren avenue. He would like to hear from his friends at his new address, PNSN Patrick T. Nesbitt, B991024, V.A. 128 NAS Whidbey Island, Box No. One, Oak Harbor, Washington, 98277.

GC Committee Chairmen Named

Committee chairman appointments by Mayor Parney were disclosed during Monday night's Granite City council session when the operation of the meetings with committee reports was restored.

For the past year, the council functioned without committees after two sets were named at the start of the 1968-69 fiscal year—one by the mayor and the other by the council. A change in the law delegating the appointment authority brought forth court action with an appeal still pending.

Only one chairman named by the mayor declined to serve. Claude French refused chairmanship of the Light committee, a post held for years by Alderman Basarich, who is a member of the committee.

Also, the mayor said he has encountered difficulty in securing members for the Negotiating committee to work out agreements with city employee unions.

He said Nann has refused to succeed Alderman Fry, who went off the committee, and both Dawes and Moerlein have withdrawn from it. Dawes said he will be leaving next week for a three-week tour of Mexico, and Moerlein said his job will keep him out of town most of the time during the next four weeks.

Partney called for volunteers, but none came forward. He added that union representatives want meetings, and that a decision will have to be made by next week. Two weeks ago, the negotiating task was turned down by the Finance committee.

The chairmen are—Finance, Moerlein; Ordinance, Parney; Streets, Boyd; Police, Poulos; Fire and Water, Whittier; Sanitation, Davis; Traffic, Whittier; City Hall, Poulos; Planning and Zoning, Parney; City Buildings, Dawes; Air Pollution Control, Baker; Police Plant, Basarich; Special Sewer, Rutledge; Human Relations, Jarrett; Printing, Jarrett, and Redistricting, Rutledge.

Mrs. Myrtle Spicer, 89, of Mitchell, Dies

Mrs. Myrtle Spicer, 89, of 200 Lenox avenue, a patient at the Pleasant Rest Nursing Home in Collinsville, for the past 2½ years, died at 6:40 p.m. Monday. She had suffered a stroke on Tuesday prior to her death.

Born in Findlay, Ill., she moved to the Mitchell area in 1923, where she and her husband were engaged in farming until the early 1940's. She also was employed in the Mitchell school cafeteria for several years.

Mrs. Spicer was a member of the Mitchell United Presbyterian Church.

Her husband, Curt Spicer, died in 1951. Survivors include one son, Roy Dale Spicer of Mitchell; a granddaughter, Mrs. Lile (Diane) Hartzel also of Mitchell; two sisters, Mrs. Iva Voyles, Findlay, Ill., and Mrs. Beatrice Spicer of Decatur, and a brother, Ray Jordan of Findlay; and two great-grandchildren.

Funeral arrangements are given in today's obituary column.

Door Forced Open

The front door was forced open and the lock was broken at the home of Virginia Schroeder, 2207 East 24th street, who was out of town, it was reported by her daughter Monday. Nothing was missing or out of order. The break-in was discovered by a neighbor as she picked up the mail at the house.

Burden of Proof That An Artwork Is Fraudulent Rests on Victim

(City and Illinois Bar Associations)

The art fancier who is interested in acquiring a painting or other work of art by an artist he especially admires should remember the time-honored warning—caveat emptor, or "let the buyer beware."

The person who negotiates to buy an authentic Renoir, Picasso, or other work of art, who finds later that he has bought only a good imitation, usually must bear the burden of proving that he was the victim of fraud. And that isn't easy.

Anyone who feels the artwork he has acquired is not what he was represented to be may file suit under the Uniform Commercial Code.

The code protects the buyer whenever an express warranty of authenticity has been issued by the seller.

However, in order to prove that a criminal offense such as forgery or larceny was committed, the buyer must show that the seller claimed to be offering an original work by a specifically named artist.

Moreover, it must be shown that the seller knew at the time of the sale, that the work was not authentic.

The buyer also assumes the risk in cases where an artist's signature has been forged.

A signature serves as a trademark, and forgery of it is a violation of the law. But, again, there must be proof that the seller actually did the counterfeiting or was aware of it, in order to prove fraud.

We suggest that the buyer purchasing a work of art, prior to following these precautions:

1. Buy from a reputable art dealer or individual whose credentials have been investigated, if necessary. Such dealers deal with a great deal of time in checking the authenticity of the art work, and their own protection, as well as yours.
2. Note the history of the artwork. The history should be displayed, ask about previous owners, and ask about the artist.
3. A reputable art dealer will issue a "certificate of authenticity" which serves as a guarantee.
4. If you have any doubts, arrange with the dealer to have the work authenticated by a local art specialist or authenticator.
5. If you decide to buy the object, be sure that the bill of sale, invoice or receipt explicitly describes your purchase and states the terms of your agreement with the dealer.
6. Make sure the dealer has not placed a disclaimer on the receipt or bill of sale. Then in the event the object you purchased has been misrepresented, you will have recourse to the Uniform Commercial Code and its express warranty provisions.
7. Finally, if a fraud has been perpetrated, you should not hesitate to return the fake work of art to the art dealer. Most dealers will be willing to return your money in exchange for the work of art and the certificate of authenticity.

Wine 'Maketh Glad the Heart'

(Stay Young Research Corporation)

A breakfast of fruit, lean meat and tea laced with sherry would be ideal for patients with angina—the painful heart disorder.

Wine is also beneficial to post-operative patients, when they find bland hospital diets or low salt diets unattractive.

Unlike many of the newer agents used in treating angina, alcohol rarely causes a depression.

The Calvans of the Mind

Extraneous perception (ESP) is improved through techniques, according to recent reports from the University of Virginia, where valid scientific studies are currently being conducted.

Although ESP is still regarded as an unconscious process not subject to willful control, many people can be trained in it by using hypnotic techniques.

DISCIPLINE NECESSARY IN SCHOOL, AT HOME

To the Editor:

To the parents of students attending Marshall school, I have been in the Granite City school system for 15 years in various capacities. I have great hope and respect for your children and I feel, in most cases, the feeling is mutual. I have had many occasions to be in Marshall school and found it to be clean, orderly and well disciplined. It was most gratifying to see. The reason was "discipline."

still discern right from wrong and are willing to do something about it.

If you are lucky enough to have disciplinarians at Marshall school... "Back them, don't buy them." Discipline your children more at home (they want it) and they won't be so likely to be needing it at school.

In our school, where your children attend, we see the results of their learning to behave and follow directions. You should be thanking the Marshall school staff instead of criticizing them.

CALLS FOR CHEERS FOR MARSHALL SCHOOL

To the Editor:

Three cheers for the principal of Marshall school. How refreshing it is to know that a school in Granite City is being run by the principal. She can make a decision and one less one will get the type of fear of losing this love, when all along this is what the child is really seeking. They, in turn, don't want anyone else to discipline their offsprings... as a result the student is not learning to obey rules, isn't learning to follow direction and actually feels it's their right to disregard this right of their education. With this early indoctrination in belief they are well on their way to severe behavior problems and delinquency at the age of 12 through 15.

Parents, if your child has been disciplined at school (even if you feel it was severe), don't double it at home. Do not make excuses for them, don't blame a teacher for wanting your child to get the greatest benefit the school has to offer... that of self discipline.

Most of us see, and deplore, permissiveness tearing down this great country of ours... From the top Federal level down to our local level, we are permissive. We see control being lost in our colleges because these young children who never learned to obey rules are now on that level. For your child's sake don't allow discipline to disappear from the Granite City school system. As it is now, you can send them to school without too much anxiety of being stabbed, kicked, or even by gangs roving the halls and other threats. The reason for this safety which you enjoy is a majority of red-blooded American teachers who can

Sober Vehicles Only One of Many Steps Needed to Cut Traffic Deaths Sharply

If mishaps occur that involve automobiles, build safer vehicles and the level of driver injury and property damage will be reduced. Correct? No, the records seem to indicate.

The issue is more complicated than merely blaming the "but behind the wheel." But it is a fact that today there have been so many safety devices in autos—including belts and harnesses, head supports, better brakes and tires—plus programs under which structural and operating deficiencies are announced when detected and repaired, even years after the initial sale.

And it is a fact that never before was there so much highway death and destruction as in 1968, when 53,000 lives were lost in the United States.

About 25 million cars now have some or all of the safety features required by the federal government, and more safety devices are under study.

Certainly, in specific cases it can be and has been demonstrated that when an occupant is protected from being thrown out or from ricochet about inside his auto, he has a much better chance of surviving and avoiding serious injury. But—the carnage continues.

Fundamentally, it can be said that the factors in motorizing safety or hazards consist of the car, the driver and the environment.

Each element can be further broken down into an infinite number of aspects. The vehicle includes body strength, speed, design, steering center of gravity and traction. The motorist needs to be skilled, emotionally stable, healthy and attentive. The environment includes the weather, amount of traffic, kind of other traffic, width and number of lanes, kind of turns and hills, type of pavement, and the shape, number and location of objects along the side of the road, including shoulders, road signs, utility poles and bridge abutments.

Only a much broader attack on the highway toll would seem to have much chance of significant success.

The attack surely should be made. Our national average of 55 deaths for each billion miles traveled is considered quite low, especially when compared to many other countries. But if each individual or family of four is among the 35, the "low" rate is tragically high.

There are fast-talking slow thinkers and slow-talking fast thinkers. Watch out for both of them.

Sea-Level Canal Could Be Problem

(American Institute of Biological Sciences)

For many years, the possibility of a sea-level canal somewhere in the vicinity of the Isthmus of Panama has been under discussion. Most of this discussion so far has centered upon the feasibility of the project and its feasibility from an engineering viewpoint.

The only factor involved which has drawn the attention of most biologists is the possibility of radiation damage in the event that nuclear devices are utilized in the excavation.

John C. Briggs warns that we may be planning a biological catastrophe of enormous scope and international implications.

Professor Briggs, a zoologist at the University of South Florida, predicts that the inevitable "mixing" of marine life from the Eastern Pacific with that of the Western Atlantic, and vice versa, will result in a new conservation problem.

The marine life in the Eastern Pacific is not only temporarily enriched, but the ensuing competition will quickly result in the widespread extinction of some species already in the area.

The transfer from the Eastern Pacific into the Western Atlantic will be smaller and the invaders will probably not be able to establish permanent colonies. The damage in this instance will be minimal.

Bullfrogs Breathing Clarified

(American Association for the Advancement of Science)

Most vertebrate animals accomplish lung-filling by suction. The bullfrog, however, fills its lungs by compression.

Biologists Carl Gans and J. Farber of the State University of New York at Buffalo and H. J. de Vries of Harvard University, in "Science" on their experiments that clarify the peculiar mode of breathing in frogs.

With nostrils open and glottis closed, air is alternately forced into and out of the mouth cavity by the contraction of the floor of the mouth. When the mouth cavity floor is depressed and the glottis is open,

Positive Attitude Important in Politics

Having supported Governor Richard B. Ogilvie in both the 1968 primary and general elections, we felt we detected vision and ability—and we are still impressed by his awareness of future needs and his willingness to meet them. But at the time of the campaign, we thought his prediction of victory for Madison county might in part be wishful thinking.

It is now history that the GOP was able to capture two countywide offices, making its first dent in the courthouse official family here in a number of years. And, as the governor has noted with satisfaction in an address in this county, his 573-vote Madison county edge over Gov. Shapiro was not at all slim when compared with the 21,000-vote Percy loss to Gov. Kerner four years earlier.

What it all seems to prove is that even a minority party has hope of victory when it has capable aggressive candidates and when all levels of the party structure work hard to encourage voter support.

It provides a fine lesson for students of politics, and the benefits are far more than theoretical.

By demonstrating that no candidate or party is automatically assured of success, it greatly increases the pressure on both Democrats and Republicans to nominate the best possible candidates. This is a healthy situation that is helpful to government and to all citizens.

But We're Still Pretty Nice Folks

Somewhere we ran across the following comment on the typical citizen:

—Yells for the government to balance the budget and then takes the last dime to make down payment on a car.

—Whips the enemy nations and then gives 'em the shirt off his back.

—Yells for speed laws that will stop fast driving and then won't buy a car if it can't make 100 miles per hour.

—Knows the lineup of every baseball team in the American and National League... and doesn't know half the words in "The Star Spangled Banner."

An American will get mad at his wife for not running their home with the efficiency of a hotel, and he'll get mad at the hotel for not cheating about inside his auto, he has a much better chance of surviving and avoiding serious injury. But—the carnage continues.

He'll spend half a day looking for vitamin pills to make him live longer and then drive 90 miles an hour on slick pavement to make up the time he lost.

An American is a man who will fall out with his wife over cooking and then go on a fishing trip and swallow half-fried potatoes, burned fish, and gritty creek water coffee made in a rusty gallon bucket and think it's good.

An American will work hard on a farm so he can move into town where he can make money so he can move back to the farm.

When an American is at work, he talks about baseball, football, or fishing, but when he is out at the games or on the creek bank, he talks about his work.

He is the only fellow in the world who will pay 50 cents to park his car while he eats a 25-cent sandwich.

An American likes to cuss his government but gets fighting mad if a foreigner does it. He is never ready for war but he has never lost one.

We're the country that has more food to eat than any other country in the world and more time to keep us from eating it.

But we're still pretty nice folks. Calling a person "a real American" is the best compliment you can pay him.

Most of the world is itching for what we have, but they'll never have it until they start scratching for it the way we do.

50 YEARS AGO

MAY 22, 1919

Placing of city printing in a shop that does not have the union label has thrown Granite City council members into turmoil. No excuse was given by the committee chairman for failing to submit the work for bids. The action is said to have destroyed the harmony which previously existed.

Mrs. Walter Obermeyer of Baltimore, Md., wife of Rev. Obermeyer, former pastor of St. Paul's English Lutheran Church here, was a guest of Mrs. Ed Kubant, 243 G street.

Claud Mitchell of D street, who recently received his discharge from the Army, enlisted in the Navy and departed for New York, where he was placed with the Revenue Coast Guards.

Roland Griffith, former city attorney in Granite City, has opened a law office in Tulsa, Okla.

Odd Fellows and Rebekahs will give a banquet and reception in honor of Mrs. Lottie D. Scherrer, president of the Rebekah state assembly.

The first meeting of the new Girls Poultry club was held at McKinley school. The club of young chicken growers is one of the first to be organized in Illinois. YMCA Secretary Raut is in charge of the organizing. It is an assured fact that more will join when they hear of the splendid and instructive meeting held last night, when the topic was "How to Pick a Laying Hen."

25 YEARS AGO

MAY 22, 1944

Mrs. Owen Davis was hostess to the Octagon Bridge club at her home. Mrs. John Peterson was a guest at the party, and honors went to Mrs. Charles Bernas and Mrs. Adolph Wigger.

Mrs. Laura Grindstaff of Venice had as guest her cousin, Bonnie Stetler of Ellington, Mo.

A clue that invasion may be near is that 100,000 items, from shoelaces to tanks, have been stockpiled under the direction of Lt. Gen. Somervell of the Army Service Forces.

Fire of unknown origin, possibly the sun, caused 4000 damage to roofing paper and other items stored in Harry Hammerman's scrap yard at 19th and Adams streets. About 400 rolls of roofing paper were lost.

Fred Craycraft of Venice was elected secretary of the Madison County Active Police Officers Association. Directors include John Ryckman and Ed Jeff, both of Granite City, and Frank DeWitt of Venice.

The Army is opening a recruiting office here to secure Women's Army Corps enlistments.

Now Is The Time . . .

During the weeks until July 1, the major decisions of state government for the next year will be made. If you have strong views on any subject, particularly in the field of revenue, now is the time for expressing those views.

How is that best done?

Legislators differ on what they like, but most would agree with these suggestions:

1. Letters

The most effective way to contact your legislators is with a simple, direct statement of your beliefs. It should not be a form letter; he wants to know what you think, not what the organization to which you belong thinks. It should be brief; he does not have time to read lengthy letters. Put your return address on the letter, not just the envelope.

Many citizens believe their letters are unimportant. While letters cannot be guaranteed to be effective, most legislators regard them as very important.

2. Telegrams

Save your money, unless the matter is to be voted on immediately. Legislators get flooded with telegrams, and they have no more impact than a thoughtful letter. If time is a factor, then a telegram may be wise.

3. Phone Calls

Your legislator does not appreciate getting too many phone calls. This is why some have unlisted telephones. Time is an extremely valuable commodity for a member of the House or Senate. If you get 25 phone calls when you are home visiting your family and trying to relax, it soon becomes irritating.

4. Petitions

They are not without value, but their value is limited. Most people sign a petition without much understanding of what the issues are. Your legislator knows that.

5. Visits to Springfield

If this is done courteously and not in massive numbers, it can be helpful. But legislators don't like to feel they are being pressured. Pressure frequently backfires on the group applying it.

Whatever your decision on the method you will use to contact your legislator, now is the time to express your opinion. Six weeks from now will be too late.

Daring Experiment -- 8-Hour Day

(Granite City Long-Range Plan)

In 1912, the Commonwealth and Granite City Steel plants launched a daring industrial experiment. An eight-hour work day, accompanied by an increase in hourly wages, was adopted.

Spokesmen for the steel industry predicted that any work day shorter than 12 hours would disrupt production. Seven months later, a spokesman for Commonwealth Steel reported on the success of the plan.

Efficiency was up, employee fatigue was down, and there was a reduction in the time needed to finish work. Wage increases were offset by savings in man-hours and materials.

In spite of liberal labor policies, labor troubles and law suits were common between 1914 and world war I. A sewer project begun in 1916 finally had to be abandoned by the contractors in 1918 after a near riot.

The coming of the war brought rumors of an imminent labor shortage. St. Louis industrialists started importing workers in large numbers.

During the war, the plants produced to capacity. Workers and job seekers poured into Granite City. The industries prospered.

After the war, wage scales were raised.

Granite City continued to grow. A park district was created and Wilson Park was opened to the public in 1922. The number of automobiles on the streets necessitated a traffic ordinance in 1923.

A building boom in 1924 produced work for over 900 building trades workers.

Granite City Steel Co. became a separate entity in 1927. One of the steelmaking activities of the enameling and stamping company were placed into one company.

Next: Depression and more war.

Reds Bend Science to Marx Theory

(U. S. Department of State)

I am a biology student and we are studying the origin of life. In our textbook there is a page devoted to a Russian biologist named Alexander Oparin.

Since the Communists use science to spread Communism and Communist propaganda, I would like some information on him.

Was he a member of the Communist Party, or just a fellow traveler?

If not a Party member, was he forced to do his experiment that suggested life began as a result of chemical changes?

Did he just find this by chance? I would like answers to these questions if possible, and any other information concerning him and his experiments.

S.V. Woodstock, Va.

Dear S. V.: We regret that the Department of State does not have the information you request concerning Oparin's possible Communist Party membership or

the effect of Communist ideological controls on his scientific work.

Scientific advancement in the Soviet Union has suffered as a result of demands by Communist ideologists that scientific theories must conform to the Marxist-Leninist theoretical framework.

The articles are "The Need for Control" and "Booms and Busts."

If your school library does not have a copy of this issue, you may obtain a copy by writing to the Superintendent of Documents, U. S. Government Printing Office, Washington, D. C. 20540.

Young Musician Day Saturday at SIU-SW

Young Musician's Competition Day will be held at SIU-SW campus on Saturday in the Lovjoy Library. It was announced by Renato Premazzi, chairman of the SIU Young Artists Recital Series Award, who will also direct the competition. The Illinois State Music Teachers Association also will hold its student auditions during the day.

About 25 young performers, pianists and singers, will be auditioning between 9:30 a.m. and 5 p.m. Young Artists winners will play next fall on the campus and ISMTA winners will receive awards. The Senior ISMTA winner will compete Nov. 23 at the state convention to be held at SIU-SW, for the national competition next spring in Miami.

SIU-SW Band to Play At Shrine on Sunday

The Symphonic and Stage Bands of SIU-SW campus will present "An Evening of Music" at the Shrine of Our Lady of the Snows on Sunday, May 25, at 7:30 p.m. Both musical groups will perform in the sanctuary of the huge Outdoor Altar at the base of the 6200-seat amphitheatre.

The SIU Syphonic Band is conducted by C. Dale Fjerstad.

LEWIS & CLARK PILGRIMAGE ceremonies conducted Sunday as Miss Granite City, Leetta Marmion, cut a ribbon at the Lewis & Clark park to send 214 marchers on their way. Others are, left to right, Rollin Henn, Cahokia Mounds council president; George Hays, assistant scoutmaster of sponsoring Troop 41; Scoutmaster George Bugle and Assistant Scoutmaster Floyd Jordan jr.

The Olney outlet of Southern Illinois University, WUIS-TV, operates on channel 16 with a signal strength of one million watts of effective radiated power.

GO TO CHURCH ON SUNDAY

Student Dance Program Planned at SIU-SW

Kathy Winkle of Granite City will be among 11 student dancers and Anna Zimmer, also of Granite City, will serve as set designer for the dance concert to be presented at SIU-SW campus on Saturday and Sunday, in the Communications Building theater. Curtain time on Saturday is 8:15 p.m. and on Sunday, 2:15 p.m.

The concert will include performance of nine modern dance works by Al Wiltz III, who came to Edwardsville last fall as choreographer and dance instructor in the Fine Arts Division. Performers will include Wiltz, his wife Nancy, and the SIU-SW dance pupils. Free tickets may be reserved by calling Marilyn McKee, 1-602-2771.

Lewis & Clark Hike Attracts 214 Marchers

Two hundred and fourteen marchers participated in the Lewis & Clark Pilgrimage for Boy Scouts Sunday over a route from the Ship-to-Shore radio station at the Chain of Rocks canal north of I-270 to the Lewis & Clark Memorial Park.

A program sponsored by the Lewis & Clark Society of America was presented under the direction of Mrs. Peter Klinick, president. The program marked the anniversary of the Lewis & Clark expedition.

She introduced George Bugle, scoutmaster of the sponsoring Mitchell Troop 41. Rollin Henn, council president, was introduced by Floyd Jordan jr. who expressed appreciation for the event being a large success. He also said the hike will be an annual event.

Miss Granite City, Leetta Marmion, welcomed the group to the "first day" hike. She then cut a ribbon to open the pilgrimage, and the hikers were on their way.

500 Attend Christian Youth Hootenanny Here

More than 500 persons attended the Christian Youth Hootenanny last Saturday at the Baptist recreation grounds in Mitchell.

Among entertainers were recording artist Jim McNeil, master of ceremonies, the "Overlanders" and "His Folk" of St. Louis and talent from Madison county, including Leetta Marmon, Miss Granite City.

The program ranged from popular music to church hymns and ended with a message delivered by McNeil.

'Y' Youths to Attend Cardinal Baseball Game

The YMCA youth department will sponsor a trip to the Cardinal baseball game on June 4. It is open to all boys and girls from 8 to 16 years old in the Quad-City area.

The Cardinals will meet the Atlanta Braves in the 12:30 p.m. contest. The buses will leave the "Y" at 11 a.m. The first 80 youngsters to register and pay the fee will get to make the trip.

The fee will be \$1.25 for "Y" members and \$1.75 for non-members. It covers both ticket and transportation and must be paid at the time of registration.

GCHS Leadership Girls To Camp in Missouri

The Advanced Leadership Club of Granite City high school will go on a camping trip to Trout Lodge at Sonnen Lake, Mo. this weekend. They will leave school on Friday at 11:30 and return Sunday at noon.

Linda Kratz, chairman, announced funds for the trip were earned by sponsoring two workdays. The girls will participate in swimming, canoeing, horseback riding, hiking, sailing, archery and volleyball.

Accompanying the club will be their advisors, Miss Barbara Kerch, Miss Mary Sue Rogers, Miss Wilma Schulte and Miss Sylvia Evangeloff, physical education directors.

ART SCHOLARSHIP WINNER. Gary Patterson (center) receiving the Granite City Area PTA Council's annual art scholarship award from Mrs. Twila McKinney, as Eugene Aiassi, art director, looks on.

Gary Patterson Wins PTA Art Scholarship

Gary Patterson, son of Mr. and Mrs. George Patterson, 3200 Aubrey avenue, an art education major and graduating senior at Granite City high school, was recipient of the 1969 art scholarship award, presented by the Granite City Area PTA Council from contributions made by visitors to the recent council-sponsored "Acres of Arts" show.

The presentation of a \$105 check by Mrs. Twila McKinney, area council president, took place Tuesday morning at the local high school.

Patterson, 18, is planning to study architectural design at the David Rankin Technical School of Design, St. Louis.

According to Eugene Aiassi, art director for Granite City schools, Patterson "has exhibited outstanding artistic ability during his high school career."

On Committee at EIU

Vicki Duncan, Granite City, is a member of the parade committee for the 1969 Homecoming at Eastern Illinois University, Charleston. Miss Duncan is the daughter of Mr. and Mrs. Jerry Duncan, 3248 Franklin avenue. She is a member of Delta Zeta Sorority. Homecoming will be held on Nov. 1.

Jr. Sports Jamboree In Venice June 7

At Delay, a teacher at Venice-Lincoln Technical Center and member of the Granite City Jaycees, was authorized to conduct a "Junior Sports Jamboree" at the Venice high school athletic field on Saturday, June 7.

Permission to use the field and gymnasium facility was granted by the Venice board of education Monday evening. Additional details about the youth athletic track and field contest, the preliminary event to sectional and state competition, will be announced shortly. It was learned.

In other action Monday night, board members approved participation by the district in a Title III, NDEA program, which will provide equipment for the high school industrial arts department. Principal item of equipment to be purchased through the program will be a milling machine at an estimated cost of \$1900.

Cost of the entire project will amount to \$2750, with up to \$727 reimbursed to the district, Assistant Supt. Robert N. Vickers.

2 GCHS Students to Attend NWU Sessions

Two seniors at Granite City high school, Nancy Sternberg and Rick Cardwell, will attend the National High School Institute at Northwestern University in Evanston, Ill., this summer.

Rick Cardwell, with a scholarship awarded by Northwestern University, will attend the

Engineering Science Division. his award from the university Nancy Sternberg, the recipient of the Mary Blackburn Scholarship, will attend the Speech Division. The National High School Institute at Northwestern, established in 1939, enrolls outstanding students from every state. Young men and women who attend the five-week summer session have an unusual opportunity to test their abilities in competition and collaboration with talented students from many other high schools, it was explained.

Cardwell will be the first student from Granite City to attend the Engineering Science Division of the National High School Institute and received

School Year to End Wednesday in Venice

Venice students will complete the 1968-69 school year Wednesday, May 23, instead of the following day as listed in the school calendar, Venice school board members decided Monday evening.

The earlier closing date was recommended by Assistant Supt. Robert N. Vickers, who said the school district will have complied with the mandatory 179 teaching days without the added day. He explained that additional days are recorded in the school calendar to permit emergency school closings in the event of severe weather.

Board President Leo Davinroy reported the 1969 Venice graduating class had received a congratulatory letter from President Richard Nixon, a practice followed by an earlier chief executive, but discontinued several years ago.

Nixon's letter said in part: "At a time when there is much talk about the differences between the generations, I think it is useful to remark upon a similarity between your graduating class of 1969 and my graduating class of 1930.

\$200 Retailers Award To Venice HS Student

A \$200 scholarship grant to a Venice high school senior will be awarded this year by the Associated Retailers and Civic Association, it was announced Monday evening at the Venice school board meeting.

It is the first such award donated to a Venice student by the Quad-Cities retailers group. No stipulations are connected to the scholarship, and selection of a deserving candidate will be determined by school authorities, according to Lewis E. Sabin, Venice HS principal, who was notified of the award by Arnold Fleishman, Retail-

LOCAL #743

AMERICAN FEDERATION OF TEACHERS

P. O. Box 1002, Nameoki Station

Granite City, Illinois

Citizens:

The current three year working agreement between the School Board of Community Unit #9 and Local #743, American Federation of Teachers, will expire July 1, 1969.

Representatives of Local #743 and the School Board have been negotiating since January 30, 1969 in an attempt to establish a working agreement for the upcoming 1969-70 school year which begins August 26. The negotiating sessions have proven to be virtually worthless in areas of major concern. There is a possibility that school will end this spring with no agreement between the two parties.

The teachers of your community feel that you should be aware that they want a working agreement for the next school year. If there is no agreement, however, teachers will not report for the opening of school in the fall. In short, the teachers have adopted a traditional union policy and will not work without a contract. No contract . . . no work.

Sincerely, Local #743, AFT

City Bill List Totals \$145,941

A bill list totaling \$145,941 was approved Monday night by Granite City council members. As the town board, the council approved township disbursements totaling \$83,118, of which \$3165 was for relief and \$2313 for town purposes.

On the income side, the city was notified by the state of motor fuel tax income for April amounting to \$22,863 and city sales tax for February totaling \$40,486.

Major items on the bill list were \$4520 to Aetna Life Insurance Co. for group insurance premium; \$4772 paid to The Bond Men, Inc., annual premium on workmen's compensation; \$36,872 to A. H. Seebold Co. for arterial street work; \$10,870 to G. H. Sternberg & Co. for MFT street work; \$46,305 to St. Louis Union Trust Co. for principal and interest on the Nameoki Area Sewer Revenue bonds; \$4171 to H. W. Lochner, Inc., for storm sewer inspections.

Expenditures during a two-week period for sewer maintenance amounted to \$25,171. Not included was overtime pay for street department employees, who work regular shifts on the department and then man pumps at the sewer breaks for eight hours at time-and-a-half pay. Arrangements are to be worked out for regular three-shift work schedules.

GC Head Start Data Centers Now Open

Pre-registration and eligibility information will be available for the Summer Head Start program in Granite City today and Friday from 8:30 to 4:30 p.m. at the following centers:

Emerson, Webster, Logan and Washington schools and Kirkpatrick Homes recreation hall. The program will be conducted from June 16 through Aug. 4, five days a week, from 8:30 a.m. to noon.

Richard F. Miller, area director, and a teacher at Coolidge Junior high school, announced the program is designed for students who will be five years of age prior to Dec. 31, 1969. A child may be eligible by meeting the age requirements and if parents reside in a Federal Housing Project, or the family is on ADC or other form of aid or if parents are in military service or meet income requirements.

'Revivaltime' Choir To Sing Here Sunday

The "Revivaltime" Choir, a choral group for the Assemblies of God international radio broadcast service, will be singing at First Assembly of God Church, 24th street and Grand avenue, Sunday at 6:30 p.m., the church pastor, Rev. M. A. Groff has announced.

In addition to singing many of the gospel songs heard each week on "Revivaltime," the 40-voice mixed choir will present a "sermon song," a series of sacred selections interspersed with narration. The group is directed by Rev. Cyril McLeellan, a member of the Assemblies of God radio department.

Undergoes Heart Surgery

Mrs. John Penrod, 2712 Bern avenue, is recovering at Jewish Hospital, St. Louis, from heart surgery which she underwent last week. Although her condition is considered satisfactory she is still in the intensive care unit.

Action Deferred On New Car Wash

Action was deferred by Granite City council members Monday night on a recommendation by the City Plan Commission for a service station-car wash at 4012 Nameoki road near the Pontoon road intersection.

The request was submitted by Steven Powers, who said drive-ways would be located on Pontoon road. The Coachlight tavern would be moved to make room for the new construction. The area is zoned C-1 commercial.

Requests for deferral were made by Aldermen Baker and Dawes. Baker noted there is considerable traffic congestion at present on Pontoon road, and that he could foresee long lines of cars tying up traffic even further at the car wash on a sunny day.

Denied by the Plan Commission was an informal request by Claude Cochran for location of a service station in an R-1 residential area at the southeast corner of Pontoon and Maryville roads. The council upheld the commission's action.

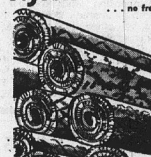

Five decisions by the Zoning Board of Appeals were approved by the council.

Claude W. Dons will build a carport and garage at 2308 St. Clair avenue, two feet instead of seven from his property line; Adolf Knappezyk, a 5 x 9-foot foyer to reduce his front yard at 2828 Fortune drive from 25 feet to 23 feet; Jerry Mainer, 2449 St. Clair, a 12x24 room addition four feet from his property line instead of seven feet; Charles Mullinax, 2256 Waterman avenue, a 12x33-foot carport, 2 1/2 feet instead of eight feet from his property line; and Steve Tegel, 2520 Benton street, a 20 x 24-foot garage two feet from the property line instead of five feet.

Nameoki Twp. Seeks Bids on Storm Sewer

Bids are to be received by Nameoki Township Highway Commissioner Charles Hanks for construction of 375 feet of storm sewer line near Garden Lane and Lake Shore drive in Long Lake Shore Acres subdivision, it was announced today. Bids will be received beginning tomorrow and continuing through June 2 on forms furnished by the commissioner. The work includes installation of 15-inch and 24-inch concrete pipe furnished by the township and already on the site, and the construction of one four-foot and one five-foot manholes. The highway commissioner also has called bids during the same period for installation of a 1000-gallon underground gasoline storage tank. That work will include removal of the existing gasoline tank at the highway department garage adjoining the town hall.

Gala Pique-Nique Opens River Festival June 20

A Gala Pique-nique will launch the opening night of the Mississippi River Festival on Friday, June 20. It was announced by Mrs. Homer Sayard of St. Louis, chairman of the pre-concert event, who said invitations are being mailed this week.

Guests from both sides of the river, will be served a cold buffet in French picnic baskets and dance on the Mall of the Southern Illinois University-Southwestern campus to the up-beat music of the Barcolona Brass. The wives of the governors of Illinois and Missouri, Mrs. Richard B. Ogilvie and Mrs. Warren E. Hearnes, will serve as honorary chairmen of the alfresco affair.

Sidewalk artists, jugglers, organ-grinders and flower vendors will enhance the festival atmosphere. Colorful floats will take the place of the traditional black tie. A number of special guests, well-known nationally in politics and cultural activities, are expected to attend. "Cocktail buses" will

New York Compliments GC School Curriculum

Copies of curriculum documents developed by Granite City school teachers have been requested by the Curriculum Laboratory of the New York Education Department to be used in development of a long-range planning program for New York state educational progress, according to Owen Murphy, curriculum coordinator of Granite City School District 9.

A letter from the Curriculum Development Center cited the Granite City district for "fine work it is doing in the curriculum field" and explained that the New York State Education Department at Albany is making efforts to "secure examples of the best in the way of currently existing curriculum materials."

Materials submitted by the district here will be catalogued within the New York department's collection and added to an upcoming revision of New York's "Course of Study Holdings" publication, Humphrey said.

Madison HS Band Gives Final Concert Sunday

"A Sunday Afternoon With Music" will be presented by the Madison senior high school band as its final concert of the school year, at 3 p.m. Sunday in the Madison HS gymnasium.

The audience will be seated at tables, and light refreshments will be served by members of the Band Parents Club for a moderate charge. Adding to the occasion, girls in the band will be gowned in colorful formal with the boys in uniform, according to William F. Leebetter, director.

The program will include a novelty percussion number, entitled "The Worried Drummer," featuring James Moore, a senior band member. Among selections to be performed are: "Semper Fidelis" March, by Sousa; "Chorale and Alleluia," by Howard Hanson; "March and Procession of Bacchus," by Delibes; Grand March from

School Break-Ins Threaten Insurance

Frequent break-ins and acts of vandalism at the Venice schools on Broadway are threatening the school district's insurance contract, which may be cancelled unless immediate countermeasures are taken, the Venice board of education was informed Monday evening.

"The number of break-ins has increased substantially during the current school year and the insurance company has told the district it can no longer cover the buildings under the same policy agreement unless we take some action," Board President Leo Davinroy reported.

Feasibility of installing a general alarm system, as opposed to hiring night-time security patrols, or trained watch dogs, was discussed. It was recommended that a watchman be hired as a temporary measure until estimated cost of an alarm system can be verified.

A suggestion offered by an

observer at the board meeting, a graduate student from Southern Illinois University-Southwestern campus, that the school board investigate the latest burglar alarm "device" — installing geese in the buildings, was met with "only if they are house-trained," from one board member.

In other business, the school officials hired Fred Griffin, 104 Kerr street, Venice, as a high school custodian on a 30-day probationary basis. He is a former Illinois state highway department employee.

Contract negotiations have started with representatives of Local 98, Building Services Employees Union, with the next session scheduled June 9. Fred Durr, chairman of the school board's personnel committee, reported. The union's two-year contract with the Venice district expires July 1. Assistant Supt. Robert N. Vickers invited board members to attend graduation ceremonies at 8:30 a.m. Wednesday, May 28, at the Venice-Lincoln Technical Center. Graduates from various adult education programs at the school will be introduced by Duane Rankin, central administrator, and presented diplomas and certificates by Davinroy.

Parents Group to Discuss Special Education Needs

A committee of parents which has been urging expansion of the special education program in the Granite City school district is to meet tonight in St. John's United Church of Christ to discuss special education needs of children enrolled in programs for the educable mentally handicapped and trainable mentally handicapped.

The group, which has been seeking the appointment of a coordinator qualified to set up a curriculum to rehabilitate each child, contended there has been a lack of cooperation and communication between school officials and parents of children who need special education. The committee also is urging the appointment of a speech therapist and additional physical education programs for the handicapped.

The school district, meanwhile, is preparing to initiate special education programs on a regional basis effective July 1, a move made mandatory by state law. At that time the special education program will encompass the three school districts of Granite City, Madison and Venice, supervised by a special education board made up of the superintendent and a board member from each of the three districts.

To Name Director
The appointment of a director to coordinate the special education program within the three districts, which has been designated as Region One, is expected to be made next month by the Granite City board of education which has been serving as the administrative agency for development of the regional program.

Harold Thomas, special education director of the Granite City school district, said yesterday that the local program has about 155 pupils in 11 special education classrooms. He said that about 100 pupils are on a waiting list for psychological testing to classify them as to training requirements.

The district is behind in the testing because one of the program's regular psychologists has resigned and the remaining one is planning to leave. The special education board, however, has provided in its tentative budget for the new regional setup provisions for three regular psychologists and the employment of two intern psychologists to step up its testing schedule under the new regional arrangement.

Part of the special education program is underwritten by the state, school officials said. The special education board in a meeting a week ago adopted a tentative budget of \$47,000 as the local share of the special education program for the 1969-70 school year.

State Helps Pay Cost

Last year, the state financed 85% of the Granite City district program. On the basis of these figures, anticipated cost of the

Entertainment was provided by several members of the Masquerade Theatre Group from Granite City and Collinsville.

Auto Struck in Rear

An auto driven by David R. Woodward, 2046 Sixth street, Madison, was struck from behind by another driven by Jack L. Cox, 5109 Rapp road, after both made a left turn from Edwardsville road onto East 20th street at 2:20 p.m. Monday.

program next year would be around \$100,000.

Thomas pointed out that the special education board will not have administrative power in conduct of the regional program. The board will act as an advisory group, making recommendations on pertinent points of the program. The recommendations then will be subject to confirmation of the individual school boards of each district.

Granite City representation on the board includes Supt. B. J. Davis and School Board Member Harold Davis. George H. Moore represented the school board until recently when he was relieved of the post at his request.

Madison 'Bell Ringer' Chairmen are Named

Madison's co-chairmen for this week's "Bell Ringers March" to raise funds for the Madison County Association for Mental Health are Mrs. Winnie Lippman and Mrs. Christ Costoff.

Volunteers are conducting the campaign and will be going from door-to-door through Sunday. In Granite City, the chairman is Mrs. Juanita Hunter.

The chairman explained the purpose of the citizen organization is to cooperate with the national, state and county mental health groups to develop a coordinated citizens' movement to work toward improved care and treatment of the mentally ill and handicapped and for improved methods in research, prevention, diagnosis and treatment of mental illness and handicaps.

Mrs. Hunter said plans have been made for a benefit roller skating program at the Stardust Skating Center on Saturday from 4 to 7 p.m. with all profits to go to the association.

Parked Auto Struck

While attempting to park, an auto driven by Freda A. Daigler, 2422 Dodge avenue, struck the parked auto of Barbara Koch, Belleville, at 1:15 p.m. Monday at 21st street and Madison avenue.

Parking Lot Mishap

Attempting to back out of the Tri-Cor medical building lot, 21st street and Madison avenue, an auto driven by Alexander G. Zeghy, Altan, struck the right front fender of an unidentified parked car at 3:50 p.m. Monday.

Council Procedures in Process of Change to Speed Up Meetings

Several changes in council procedures were brought out during Monday night's smooth-running session, and others are in the making.

Alderman Boyd suggested that committees pertaining to their duties instead of continuing the present time-consuming method of the clerk reading all communications. Monday night, it required an hour to go through a two-week accumulation.

The council now has returned to committee reports after a year's operation without them. Boyd suggested the clerk could send copies of letters pertaining to individual committees to the members in advance of a council session.

"That way the committee will know in advance of the session and will be able to function with some knowledge and preparation during a council session," he added.

The clerk will read only those letters received too late for such distribution, and those are to be only those requiring immediate attention.

ordinances it presents. If any come in on council meeting night, they'll just be laid over a week," Parmley said.

The mayor called upon the Finance committee, headed by Moerlen, to look into Non's complaints concerning the mayor's expense allowance. Parmley said he received \$600 from the city in his first four-year term and actual expenses amounted to \$14,411. He asked the committee to review ordinances pertaining to the mayor's expense allowance.

"In 1965, there was a motion by Moerlen for a \$3000-a-year expense allowance for the mayor and it was approved with only one 'no' vote," the mayor pointed out.

The committee was asked to present its report at next week's council session.

More Stop Signs

In miscellaneous business, the council approved an ordinance placing stop signs on East 24th street at August street, and authorized an ordinance to replace yellow signs on 17th street at Edison avenue with stop signs.

A new bid call for razing two dilapidated structures at 2330 West 23rd street was authorized. A \$400 proposal was turned down Monday night because of the lack of liability insurance.

Accepted by the council was a recommendation by City Atty. Scroggins for a special committee to be named to work with him in study of tax objection cases being prepared for court

action by the state's attorney's office.

Referred to City Atty. Scroggins was a notice of intent for filing a personal injury suit by Mildred P. Barry of 25 Briarcliff for injuries suffered April 25 in a fall on the sidewalk in the 1800 block of Delmar avenue.

The city was advised that in the circuit court case of Robert W. Miller vs. Mayor Parmley, the city and the city building inspector, the jury found in favor of the city. A writ of mandamus was being sought in an incident involving construction of a carport that was found to be in violation of the city code.

The city also was advised of a hearing before the state Industrial Commission in the Labor Temple here at 9 a.m. June 2 on a filing by Mrs. Hazel Murphy, widow of City Fire Capt. James Murphy, who died of a heart ailment while fighting a fire.

Placed on file was a letter from Mayor Maeras of Madison requesting the city to cancel sewer charges for nine homes in the 1400 block of Washington avenue, which are in the city of Madison but are connected onto Granite City sewers. Alderman Moerlen said he had talked to Maeras several months ago and explained the city has a policy to charge a fee to non-resident sewer users.

Also filed was a letter from State Sen. Ottwein, saying he

had received the city resolution opposing a state income tax and an increase in gasoline tax. The newly-elected senator said he would give the resolution and the pending bills his consideration.

Referred to First Ward aldermen were complaints on noises from Air Products Co. plant on Monroe street. The firm answered a city query and that the noise would have to be pinpointed.

Also filed was a letter from St. Elizabeth Hospital commending the city and its departments for cooperation during periods of power outages at the hospital during construction. Added police and fire protection were provided.

Referred to the consulting engineer were two proposals for television inspections at sewer breaks.

Alderman Poulos, chairman of the City Hall committee, said the committee has been unable to locate any keys to the engineers' offices and will change the lock.

The Standard Specifications for Road and Bridge Construction prepared by the Department of Public Works and Buildings, Division of Highways, adopted August 1, 1968, shall govern insofar as they may be applied and insofar as they do not conflict with the Special Provisions.
The right is reserved to reject any and all proposals and to waive technicalities. A proposal guarantee in the form of a bank draft bank cashier's check or certified check in the amount of not less than ten (10) percent of the bid, or for the amount specified in the Schedule listed in Article 102.09 of the Standard Specifications will be required. A surety bond for the full amount of the award WILL NOT be required. Where a surety bond is not required, the proposal guarantee of the successful bidder will be held until all of this material has been delivered and the job accepted by the awarding authority unless approval is given by it to substitute a surety bond in lieu of the proposal guarantee.

**Mrs. Wilma Carson, 57,
Dies Monday at Alton**
Mrs. Wilma M. Carson, 57, of 3520 Glen drive, Alton, and mother of Mrs. Larry (Jane) Ash of Granite City, died at 10:15 p.m. Monday, at St. Anthony Hospital in Alton. Hospitalized since March 30, her death was attributed to cancer.
Born in Marine, Ill., she lived in Alton 38 years and was employed in the dietary division at Alton Memorial Hospital.
Mrs. Carson was a member of the First Baptist Church in Alton and the Alton Chapter Order of Eastern Star. She was preceded in death by her husband, Harry, in 1961.
Other survivors include another daughter, Mrs. Eugene Kuhn of Ohio; two brothers, Frank Sido, Toledo, Ohio, and Charles Sido of Bloomer, Ia.; four sisters, Mrs. Albert Cassens, Edwardsville, Mrs. Joe Kincaid, Cleveland, Tenn., Mrs. John Sexton, Springfield, Ill., and Mrs. Amelia Reams, Toledo, Ohio; and six grandchildren.
Funeral arrangements are given in today's obituary column.

**Crossing Guards Ok'd
For GC Summer School**
School crossing guards were authorized for 34 days to provide protection for youngsters attending summer school sessions in Granite City.
Council members voted Monday night to pay guards \$8 a day for the following locations: Nameoki road and Victory driver, 20th and Benton streets; Johnson road and Wabash avenue and Pontoon road and Mitchell avenue.
Auto Hit from Behind
While slowing to make a right turn, an auto driven by Otis L. York, 1929 Joy avenue, was struck from behind by a car driven by Gretchen Rea, 3214 Wilshire avenue, at 7:20 p.m. Monday at 2300 Johnson road.

Auto Runs into Field
An auto driven by Marvin G. Hankins, 4025 Braden avenue, jumped the median on Nameoki road at Ames avenue into the opposite lane of traffic and ran into a field at 9:35 p.m. Monday. The underside of the auto was damaged. He was charged with careless driving.
Parked Car Damaged
The parked car of John Sanford, 817 Bissell street, Venice, was damaged in the left front when a car driven by Jerry Richmond, 208a Harrison avenue, Eagle Park Acres, backed into it at Weaver and Logan streets Monday night.

An Open Letter To The General Public

(For your own interest and protection, we urge you to read all of the following:)

REALTOR is a service mark registered in the U.S. Patent Office under the trademark laws and may be used only by members of the National Association of Real Estate Boards.

We, the Granite Board of REALTORS (members listed on this page), along with the State and National Real Estate Boards of America are all celebrating "REALTOR WEEK." A proud birthright indeed one rightfully earned.

The term REALTOR does not mean just any Real Estate Agent or Broker, but means an active "full time" professional member of the National Board and its member boards.

For more than 50 years the term REALTOR has always denoted honesty, integrity and "Professional Know How." It came into being in 1915 when Charles Chadbourne, a past president of the Real Estate Board of Minneapolis, on his way to a meeting, purchased a newspaper from a corner stand. He was horrified to see the caption splashed across the front page, "Real Estate Men Swindle Widows." Further the article revealed that the unscrupulous real estate man (not a member of the board), was a part time speculator with his office in his pocket or sordid den. Nevertheless, by his own act he had dishonored every Real Estate Man in Minneapolis including all the members of the board. Greatly disturbed by the harm done, Mr. Chadbourne set about finding a way to let the public know the difference between professional men of character and shady part-time operators. He evolved the title "REALTOR" which was immediately adopted by the Minneapolis Board. The next year (1916) at the National Convention, the term "REALTOR" was adopted by the National Designation by the National Real Estate Boards of America. Over the years, the term has come to mean—Honesty, Integrity and "Professional Know How." Every member of the public can approach with perfect safety, confidence and dignity.
